Nothing

Honestly, everything was great. I really enjoyed the experience and would be happy to continue in the future.

Not really

No changing anythink

Homework can be assigned. Ten questions can be given weekly in the WhatsApp group.

This organization is sufficient.

As many of the participating "students" can understand and speak English language we could extend the lessons in changing experiences and ideas

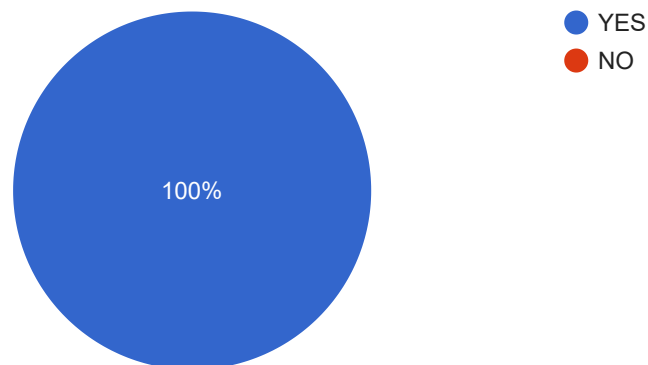

The agenda would be a bit different. Maybe, an online cultural day once a month or once in 2 months

No,changes are needed, it's fine as it is.

Will you participate in next year?
